

**THOMPSON SCHOOL DISTRICT R2J  
CHESS LEAGUE/TOURNAMENTS  
PARTICIPATION PERMISSION FORM**

Date \_\_\_\_\_

Dear Families:

Your child has requested to participate in the TSD chess program for the 2013-2014 school year.

There are several ways to participate in the chess program in the Thompson School District. Many district schools have chess clubs where students have opportunities to learn and play. Some of these schools also participate in the district's chess league which provides competition between district schools during the spring. Two chess competitions are district-sponsored each year for students in Kindergarten through grade 12. Individual students may enroll in these events. The first tournament is a pre-state scholastic tournament held in February and the second is a free tournament held in May. Additionally, Colorado State University hosts a tournament in conjunction with Poudre School District. TSD students are invited to attend. Although TSD students can participate in the state tournament in Denver, this event is not district-sponsored and no qualifying tournament is required.

Transportation to and from meetings and in-district events is the parent or guardian's responsibility. The District cannot and does not assume any responsibility for the safety of the driver or passengers, training of drivers, condition of vehicles, adequacy for the use or purpose intended or any other matters related to any non-District transportation.
