

Email to families on May 28, 2013

GT Families,

I wanted to share a wonderful opportunity that came into our office since the last eNews.

All students in grades 5-12 next school year are invited to participate in the Junior Great Books program. The invitation is below in green and the book lists and application are attached. Contact information if you have questions is at the bottom of the letter (in green). The deadline for applications is coming up quickly on **June 15**.

Enjoy the summer!
