

LITTLE SHOP OF PHYSICS

21st Annual Open House

Saturday, February 25, 2012

10:00 am - 6:00 pm

Lory Student Center Upper Level
Colorado State University

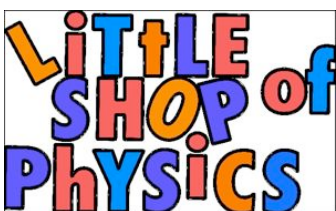

BIGGER
and
BETTER
than ever!

Join the Little Shop of Physics and CMMAP
scientists for a day of hands-on exploration!
Enjoy dozens of brand new experiment
stations as well as classic favorites!

This year, we are thinking about scale.
Now tell us - how big is your world?

Over 300 Hands-On Experiments!
7 Interactive Presentations!
